SCHEDULE OF CHARGES

Royal Seaforth Grain Terminal

Operative from
1st April 2010 to 31st March 2011

THE MERSEY DOCKS AND HARBOUR COMPANY

Schedule of Charges

Royal Seaforth Grain Terminal

Terms and Conditions:

The operations and services referred to herein shall be performed or provided at the Royal Seaforth Grain Terminal ("the Grain Terminal"), or by agreement elsewhere in the Port of Liverpool, by The Mersey Docks and Harbour Company ("MDHC") subject to MDHC's "Standard Terms and Conditions for Royal Seaforth Grain Terminal" from time to time in force.

Charges:

The Charges herein may be altered by MDHC from time to time and at any time.

Charges which are calculated on the weight of the cargo are calculated on gross weight per tonne (1000 kilos), unless otherwise provided in the table of rates.

Storage by the week is charged as a minimum of one week. Thereafter, parts of a week will be charged as a full week.

MDHC does not insure grain stored at the Grain Terminal and the charges herein do not include insurance against any risks.

The payment of any additional charge for a service not included in this Schedule will be the responsibility of the person requesting that service.

Permission to bring to the Grain Terminal cargoes other than those specified in this Schedule is to be obtained from the Grain Terminal Manager prior to shipment.

Vessels with separation(s) and / or wing tanks shall be referred to the Grain Terminal Manager prior to the vessel's loading. The discharging of such vessels will be subject to an extra charge.

Storage, handling and other cargo related charges payable under this Schedule are chargeable to the owner of the cargo.

The charges specified herein are exclusive of Value Added Tax (where applicable).
